

THE ACCELERATOR METHOD

# WORKBOOK

LISA CAMPBELL PROFIT COACH

# Worksheet

This workbook will be your notes, your planner, and your play-by-play process to get out of overwhelm & compliance and positioned for high-value advisory work.

Follow along each day LIVE with Lisa in the Accelerate 2 Advisor Group to complete your worksheets. Remember to show up live every day and post your homework in the group to qualify for the giveaways!

## Session 1

### The Path To Freedom and High Value

The goal is to set our business up so that we're \_\_\_\_\_ the \_\_\_\_\_ who want the \_\_\_\_\_ we provide and so that we're not the ones doing all the \_\_\_\_\_.

This way we can build a \_\_\_\_\_ that supports us as we \_\_\_\_\_.

Any course, program, webinar or bootcamp that focuses on \_\_\_\_\_ such as \_\_\_\_\_, \_\_\_\_\_, or \_\_\_\_\_, may produce results in one specific area but is lacking in \_\_\_\_\_. Knowing what to do, in which order & \_\_\_\_\_ will \_\_\_\_\_ your transition to advisor.

#### The 4 pillars of The Accelerator Method:

- 1) \_\_\_\_\_
- 2) \_\_\_\_\_
- 3) \_\_\_\_\_
- 4) \_\_\_\_\_

The Accelerator Method provides action items and \_\_\_\_\_ to get you out of doing the \_\_\_\_\_ work & overwhelm while \_\_\_\_\_ your \_\_\_\_\_ to your clients.

### On Your Own:

Let's talk about your current situation.

1. The most important goal for me is \_\_\_\_\_
2. I know I need to work on \_\_\_\_\_
3. I am the bottleneck in my business growth because I continue to \_\_\_\_\_  
\_\_\_\_\_
4. If I don't take action to create change in my business, I'll never be able to \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
5. If I do take action my life will be so much easier because \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
6. The number one reason I haven't fully repositioned myself is: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(Guess what? You've already taken action – you're here, investing your time in this masterclass series)

7. Is this true or false for you: If someone would show me exactly what to do, I'd do it!

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

#### -ACTION ITEM-

When you see our Session 1 Homework thread in the group, comment with your answer to #3.  
Posting means you're entered to win the next giveaway!

## Session 2

### Pillar 1: Attract The Right Clients & Position Your Value

Your compliance value to the client is not \_\_\_\_\_. What you charge for compliance work is based on \_\_\_\_\_ that you have, that your clients \_\_\_\_\_. Not by \_\_\_\_\_ it takes you.

Your \_\_\_\_\_ is determined by everything you do outside of \_\_\_\_\_.

#### That includes:

Urgency, additional or customized \_\_\_\_\_, \_\_\_\_\_, meetings, strategy, etc.

Anything that sets you \_\_\_\_\_ from what a \_\_\_\_\_ or \_\_\_\_\_ bookkeeper would do.

Every \_\_\_\_\_ you create needs to clearly identify what you do for \_\_\_\_\_ and what you do that \_\_\_\_\_.

Knowing how to \_\_\_\_\_ the right \_\_\_\_\_ starts with analyzing your \_\_\_\_\_.

This is going to help you identify who you want \_\_\_\_\_ of and who you want \_\_\_\_\_ of. Examine the \_\_\_\_\_ of the \_\_\_\_\_ you want more of and make those part of your \_\_\_\_\_ & \_\_\_\_\_ system.

Speak directly to your \_\_\_\_\_ in your \_\_\_\_\_ message across all \_\_\_\_\_. Promote your \_\_\_\_\_ & \_\_\_\_\_, not your \_\_\_\_\_ or \_\_\_\_\_. (Those are expected)

When you promote your \_\_\_\_\_ & \_\_\_\_\_, prospects already know you're not the average \_\_\_\_\_.

What you say to them via your \_\_\_\_\_ presence & universal \_\_\_\_\_ is what's going to:

a) \_\_\_\_\_ and

b) \_\_\_\_\_

Don't spend time entertaining every \_\_\_\_\_ that comes your way. You want to \_\_\_\_\_ them automatically.

### THE INTAKE SYSTEM:

**Step 1:** Design an intake \_\_\_\_\_ that asks the \_\_\_\_\_ you want \_\_\_\_\_ before you get on a \_\_\_\_\_. These \_\_\_\_\_ should be indicative of your \_\_\_\_\_ client \_\_\_\_\_.

**Step 2:** Create an \_\_\_\_\_ that contains a link to your \_\_\_\_\_.

**Step 3:** Create a second \_\_\_\_\_ with a link to your \_\_\_\_\_ for qualified leads.

**Step 4:** Create a third \_\_\_\_\_ template to send as a courtesy to anyone who completes the \_\_\_\_\_ but is not a \_\_\_\_\_. Offer other \_\_\_\_\_.

This can be done through your \_\_\_\_\_, or through your \_\_\_\_\_ as you grow, you'll add more \_\_\_\_\_ to help you \_\_\_\_\_ your processes.

This process alone will free up \_\_\_\_\_, put the \_\_\_\_\_ in front of you and increase your \_\_\_\_\_.

### On Your Own:

Looking at the clients you currently have, what percentage of them do you really enjoy working

with? \_\_\_\_\_%

Do you have any clients now that you wish you could fire? \_\_\_\_\_

Are you able to identify why you don't like working with them? \_\_\_\_\_

\_\_\_\_\_

Do you struggle with expressing your value to your current clients? \_\_\_\_\_

\_\_\_\_\_

Are you confident in your discovery calls that you ARE the solution to the problem(s) they present?

\_\_\_\_\_

\_\_\_\_\_

Do you have a niche that you know well? \_\_\_\_\_

\_\_\_\_\_

Are you already trained with a specialty that you want to be able to focus on? \_\_\_\_\_

\_\_\_\_\_

How different would your life be if you only worked with your ideal clients, they paid you well for what you provided, your team did all the compliance work, and everything ran smoothly? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

### Create your Intake System:

Copy for email #1 (link to intake form):

**-ACTION ITEM-**

When you see our Session 2 Homework thread in the group, comment with the questions you've decided to ask on your intake form. Posting means you're entered to win tomorrow's giveaway!

## Additional Notes:

# Session 3

## Pillar 2: Systemize Your Ecosystem (Part 1)

### 2 KEY RECAPS FROM SESSION 2:

1. \_\_\_\_\_
2. \_\_\_\_\_

The ecosystem of your firm must be completely \_\_\_\_\_ from the very first point of \_\_\_\_\_ to the \_\_\_\_\_ point.

The work we did in session 2 was the \_\_\_\_\_ point of your \_\_\_\_\_. You created your first \_\_\_\_\_ to handle inquiries that pre-qualifies \_\_\_\_\_ that did not consume any of your \_\_\_\_\_.

Today we'll look at the next 3 processes to systemize so there are no gaps in the flow:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

### #1 \_\_\_\_\_ CALL & \_\_\_\_\_ ENGAGEMENT

During the \_\_\_\_\_, having already read their \_\_\_\_\_ form, you have 3 goals:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

If the above 3 goals are met and successful, the natural progression is what are the \_\_\_\_\_ ?

The very next step is a \_\_\_\_\_ of their \_\_\_\_\_. This will allow you to investigate and determine several things:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_

## #2 REVIEW TO \_\_\_\_\_, REVIEW TO \_\_\_\_\_

Once the \_\_\_\_\_ process is complete, you will either propose a \_\_\_\_\_ or an ongoing \_\_\_\_\_.

If a \_\_\_\_\_ is required, create a \_\_\_\_\_ specifically to resolve the \_\_\_\_\_ found in the \_\_\_\_\_. Be very clear on the \_\_\_\_\_ included in the renovation.

The proposal for the ongoing \_\_\_\_\_ is as of the \_\_\_\_\_ date. Not when you \_\_\_\_\_ it. It's the date you set in the renovation \_\_\_\_\_.

It is important to separate these two items because

- a) \_\_\_\_\_ and
- b) \_\_\_\_\_.

Once the proposal for an ongoing \_\_\_\_\_ is signed back, you will confidently bring the client in to your \_\_\_\_\_.

## #3 ON-BOARDING NEW CLIENTS THE EASY WAY

On-boarding a new client needs to happen with entire inclusivity, and systematically so that it's \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

This means creating a \_\_\_\_\_ to follow each and every time.

**Inclusive & Systematic:**

Document everything you would need from the \_\_\_\_\_ from the beginning. This eliminates the \_\_\_\_\_ & \_\_\_\_\_ as well as \_\_\_\_\_. Think about everything you would need to have \_\_\_\_\_ to, \_\_\_\_\_ required, and which \_\_\_\_\_ need to be set up.

Items to consider:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_
8. \_\_\_\_\_
9. \_\_\_\_\_
10. \_\_\_\_\_

Create a \_\_\_\_\_ of these items to send to the client along with relevant \_\_\_\_\_ or \_\_\_\_\_ and a way to \_\_\_\_\_ the \_\_\_\_\_ process.

**On Your Own:**

Which questions will you ask during your discovery calls to identify your lead's pain points?

---

---

How will you explain why a review is necessary?

---

---

If, during discovery, you determine the client is NOT a fit, how will you handle it?

---

---

## Session 4

### Pillar 2: Systemize Your Ecosystem (Part 2)

#### 2 KEY RECAPS FROM SESSION 3:

1. \_\_\_\_\_
2. \_\_\_\_\_

Once the client has been \_\_\_\_\_, fulfilling your \_\_\_\_\_ and providing your \_\_\_\_\_ needs to be executed \_\_\_\_\_.

This means creating a step-by-step \_\_\_\_\_ for everything you do.

Creating this \_\_\_\_\_ ensures that everything gets done exactly the \_\_\_\_\_ each \_\_\_\_\_, regardless of who does the \_\_\_\_\_.

The way eliminate your \_\_\_\_\_ is to \_\_\_\_\_ it so that \_\_\_\_\_ can do it.

\_\_\_\_\_ **THE** \_\_\_\_\_:

\_\_\_\_\_ the \_\_\_\_\_ starts with identifying the \_\_\_\_\_  
\_\_\_\_\_ you go through for each deliverable.

Once you have documented each \_\_\_\_\_, create a \_\_\_\_\_ capturing each step.

It is very important you DO NOT document these steps as if \_\_\_\_\_ were \_\_\_\_\_. This tends to contain \_\_\_\_\_ and can cause \_\_\_\_\_ of best practices because it's \_\_\_\_\_ for you.

Include in each step each \_\_\_\_\_ you would need to have \_\_\_\_\_ to support what's been \_\_\_\_\_. Think about what you would need if someone forgot to \_\_\_\_\_ and changes were made. Think about \_\_\_\_\_.

It is important to also create a \_\_\_\_\_ and \_\_\_\_\_ convention for each supporting \_\_\_\_\_ or \_\_\_\_\_ that is part of that process.

\_\_\_\_\_ and \_\_\_\_\_ consistency is crucial for locating \_\_\_\_\_ or \_\_\_\_\_. Knowing where to find them easily saves \_\_\_\_\_ and \_\_\_\_\_.

### Core Compliance Checklists to Consider:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

Each checklist should be created in a \_\_\_\_\_ format and then \_\_\_\_\_ for each \_\_\_\_\_. You will use these checklists to \_\_\_\_\_ the work to your \_\_\_\_\_.

### ON YOUR OWN:

Consider the following:

1) How can I ensure my checklists meet best practices?

---

---

---

2) Which processes do I need to map out and create checklists for?

---

---

---

## Session 5

### Pillar 3: Leverage Workflow To Get Compliance Work Off Your Plate!

#### 3 KEY RECAPS FROM SESSION 4:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

The magic happens when we put it all into a \_\_\_\_\_. Each \_\_\_\_\_ becomes part of a \_\_\_\_\_. This is how we are able to \_\_\_\_\_, monitor, manage and \_\_\_\_\_.

#### LEVERAGING WORKFLOW

Workflow software is your virtual \_\_\_\_\_ on-screen. When set up correctly, you'll be able to know the \_\_\_\_\_ of each client at a glance.

It will tell you:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_

Each one of these \_\_\_\_\_ is set up as a \_\_\_\_\_ so you can \_\_\_\_\_ them to clients and, when applicable, have them \_\_\_\_\_.

From the time the client has accepted your \_\_\_\_\_, you bring them into your \_\_\_\_\_ using these \_\_\_\_\_.

\_\_\_\_\_ one \_\_\_\_\_ at a time, for one \_\_\_\_\_ at a time,  
one \_\_\_\_\_ at a time!

Eventually you will have all of the \_\_\_\_\_ delegated, leaving your  
\_\_\_\_\_ open for \_\_\_\_\_ work.

**ON YOUR OWN:**

My workflows will contain the following processes:

---

---

---

If I set up my processes as checklists and am able to delegate all or parts of the work, this would give me time to:

---

---

---

To facilitate efficiency, reference to my systems training will be included in my workflow for each process as (hyperlinks, folders, attachments, detail within):

---

---

---

**-ACTION ITEM-**

When you see our Session 5 Homework thread in the group, comment with why it is so important to have a naming and saving convention that is consistent. Posting means you're entered to win Monday's giveaway!

# Bonus *Session*

## Bonus Session: Time Blocking

3 KEY RECAPS FROM SESSION 5 (what do you remember?):

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Time-blocking is a method of deliberately creating \_\_\_\_\_ to \_\_\_\_\_ your \_\_\_\_\_.

Creating space for what you \_\_\_\_\_ to do and \_\_\_\_\_, ensures you will \_\_\_\_\_.

Start by listing out all of the tasks that occur in your days:

---

---

Use colour-coding and/or \_\_\_\_\_ to distinguish between \_\_\_\_\_ & personal items.

Start by adding all existing and \_\_\_\_\_ appointments/meetings.

Then go through your list and start blocking \_\_\_\_\_ on a \_\_\_\_\_ basis on your calendar for each of those items.

Assign the amount of \_\_\_\_\_ you want to spend on each task. Do not \_\_\_\_\_ every open gap of \_\_\_\_\_.

\_\_\_\_\_ blocks show you where you have \_\_\_\_\_ for something else.

**NOTES:**

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## KEY RECAPS SO FAR:

---

---

---

---

---

---

---

---

---

**NOTES:**

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.
